## More Information:

TUK's Panel Mount Connectors Range offers a wide variety of audio, video and data connectors which can easily be mounted into panels of virtually any thickness.

Die cast adaptor KApma is robust and ensures easy mounting (into standard cut-out) and reliable earthing. Can be purchased separately in packs of 20 pcs.

Each connector is supplied as a kit. Kit includes coupler/connector, panel mount adaptor, pair of round head zinc-plated steel self-tapping screws and pair of round head zinc-plated steel M3 screws.

For USA style installations, users might prefer to use #4-40 UNC 2A machine screws. These are available separately in zinc-plated steel in bags of 100."
