

LOKJAC *miniMEDIA* 10" Cat 6A locking panel (SGKFLJ12)

LOKJAC *miniMEDIA* 10" Cat 6A locking panel (SGKFLJ12)

Our locking Category 6A patch panel offers a solution for almost any Category 6A locking requirement. The locking mechanism ensures safety and security, but the locking bars also provide control by preventing unauthorised access to unused ports.

Features

- High performance data throughput, meets Category 6A data transfer rates at permanent link level
- 19" rack mountable
- Designed to complement the full range of *miniMEDIA* cabinets:
miniMEDIA Black Metal Cabinet:
<http://www.tuk.co.uk/product/minimedia-black-metal-cabinet/>
miniMEDIA Oak Veneer Cabinet:
<http://www.tuk.co.uk/product/minimedia-oak-veneer-cabinet/>
- Locked securely into place with LOKJAC key, with easy to use lock and release mechanism
- Locking bar blocks unauthorized access to unused ports
- Can be terminated with either 110 or LSA+ type tools
- Front labelling strip and ports provided.
- High quality rear cable management bar
- Fully shielded for FTP/STP applications
