

## Contractor Grade DIN Rail Keystone Adapter

### **Contractor Grade DIN Rail Keystone Adapter (KADIN)**

Our durable, stainless steel Contractor Grade DIN rail keystone adapter, enables a huge range of shielded and unshielded keystone connectivity to be quickly and easily mounted in DIN rail installations.

#### **Features:**

- Designed for standard 35mm wide DIN rails
- Easily mountable side by side on DIN rail.
- Keystone mount can be reversed for alternative cable entry and exit angles
- Suitable for shielded and unshielded keystones
- Extremely durable and fits well with coupler/socket
- Installation does not require any special tools – the adaptor slides or clips easily onto the DIN rail
