

8p8c (RJ45) Coupler - Black Wired Pin 1 to 1:

8p8c (RJ45) Black Coupler Wired Pin 1 to 1:

A cord coupler designed for connecting RJ45 data leads.

Features:

- Suitable for joining two 8p8c (RJ45) cables, wired pin 1 to pin 1
- 'Straight through' - does not alter the actual configuration of the wiring; designed for data transfer
- Also suitable for keyed 8p8c plugs, sometimes known as RJ45S
- Suitable for data transfer up to Cat 4 standard.

Specifications:

- Net weight (including primary packaging):
ACY88bk: 8g ACY88bk#20: 178g
- Dimensions (including primary packaging):
ACY88bk: 16.5 x 22.5 x 36.5mm (approx.) ACY88bk#20: 178g 155x100x30mm (approx.)
- Colour: black
- Materials:
 - Housing: Polycarbonate
 - Insert: ABS
 - Wire: PVC
 - Contact pin: Gold plated phosphor bronze

Packaging:

Available in individual polythene bags or in 'bulk packs' of 20 without individual bags

ACY88bk: packed in individual polybags then in packs of 100

ACY88bk#20: in box of 20 pcs without individual bags

Commodity code: 85369010

EAN:

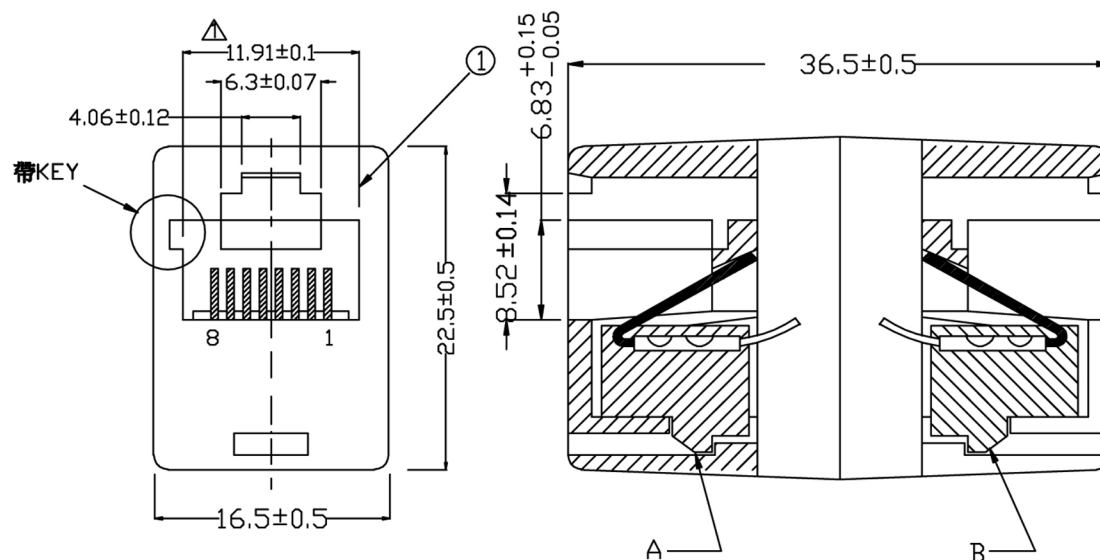

ACY88bk: 5055386506979

ACY88bk#20: 5055386510631

Country of Origin: China

ROHS Compliant

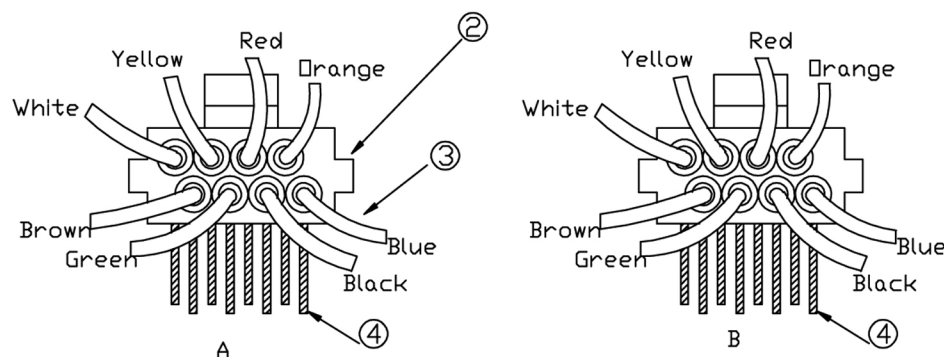

Code: **ACY88bk**
